***** CORONA CRISIS INFORMATION *****

Current information for immigrant small business-owners, self-employed entrepreneurs and freelancers

We want to help you during this crisis.

Call us or write us an email –

contact information for consultants in your area is on the next page.

We can assist with the following issues or connect you with other experts:

Employee wages / Kurzarbeitergeld: You need financial support in order to keep paying your employees during this time.

Jobcenter and other social welfare services: due to corona, you expect less income/revenue. You need help filing a new EKS form.

Filing for unemployment / Grundsicherung / Hartz IV: You have no income due to corona.

Freelancers, one-man/woman businesses, small business-owners – you need immediate financial support

Banks: You would like to defer the repayment of your loans.

Credits: You would like to take out a loan, for example from the KfW-Bank.

Social security payments: You want to defer your payments.

Labor law during the corona crisis – You are unsure of your legal obligations regarding vacation days, sick leave, home office, laying off employees, etc.

Tax pre- and repayments: You would like to defer tax payments.

Rent payments, payments to suppliers: You want to reduce your running costs as much as possible (rent, suppliers, repayment of loans, etc.).
